

YOUTH

WEEKEND SERVICES DETAILS 2023/2024

New Life's weekend service is continually working towards what we refer to as intergenerational church. Intergenerational church is where there is a distinct level of intentionality about bringing different generations together with a mutual influential relationship. New Life's youth ministry expression is designed to allow students that opportunity and to begin to be a part of the broad expression of New Life's weekend services. Because of this commitment we are continuing to create opportunities for our youth to be more and more involved in New Life weekend services as well as shape and influence our weekend services. We believe strongly that students aren't just the church of tomorrow, but more accurately the church of today.

As you see listed below, we have several different services and programs that rotate depending on the Weekend Service.

Breakfast Club Weekends (1st, 3rd & 5th Sundays during weekend services)

Breakfast Club begins after the worship portion of our weekend services. Breakfast Club is New Life's unique and creative campus-specific middle school class that takes place during weekend services at all New Life Campuses. The goal of The Breakfast Club is not to download information, but to build relationships and engage in spiritual conversations that foster spiritual growth. It is framed as a conversational approach to Sunday "school," The Breakfast Club has three essential components:

1. A relaxing environment
2. Conversation-based small groups surrounding the previous week's message
3. BREAKFAST

**Saturday night services will have Breakfast Club the same weekend that the 1st, 3rd & 5th Sundays fall of the month)*

Youth Serve Weekends (2nd & 4th Sundays during weekend services)

Youth Serve Weekends are an opportunity for all Middle School and High School students to both understand the importance of serving as well as an opportunity to shape and influence the culture and environment of New Life. They serve and influence in multiple areas of the weekend services. Including worship team, service announcements, prayer teams, first impressions, tech arts, children's ministry and much more.

**Saturday night services will have serve weekends the same weekend that the 2nd and 4th Sundays fall of the month)*
